A School Families Love!

August 9, 2016

Dear Parents/Guardians of GOALS Academy Scholars:

We are excited to start the 2016-2017 school year, and we are pleased to inform you that we have a new meal provider. There are a few changes we would like to share with you.

- Every scholar participating in the Little Labs or GFGA after-school program, will be provided with a snack free of charge regardless of the scholar's eligibility for breakfast/lunch. No morning snacks will be provided by the school; these will have to be brought from home.
- The price for the meals will stay the same for the beginning of the school year. This may potentially change pending on USDA/CDE reimbursement rates. Prices will be as follow:
Full-Priced Meals Breakfast: \$2.00
 Lunch: \$3.25
 After-School Snack -- Free
Reduced-Priced Meals Breakfast: \$ 0.30
 Lunch: \$0.40
 After-School Snack -- Free
- We have included in the Meal Application Packet:
 - **CDE Medical Statement.** This form is for any scholar who requires special therapeutic meals. No substitution meals will be provided unless this medical statement has been completed and signed by a doctor.
 - **Milk Substitution Form.** Free of charge for scholars requesting soy instead of regular milk only if it is medically required. There is a \$0.40 charge for non-medical preference for milk substitution.
- Even though the eligibility status will remain the same for the next 30 days after school starts, we will still need an updated Application Packet per family for the 2016-2017 school year. If you decide to decline to apply for the program, you will still have to complete the application and write "I decline to participate in the program," and sign next to your statement.

Please don't hesitate to contact the school office if you have further questions.

Sincerely,

Patty Fabian
